# WSCC Indicators/Checklist

## Summer/Early Fall

- Review school improvement plan to ensure that analysis process and data collection is organized with a focused, whole-child approach.
- Review goals/outcomes from previous school year.
- Determine data collection tools/plans.
- Create professional development plans for local staff.
- Schedule dates for professional development on WSCC model.
- Schedule regular meeting dates to have team review the alignment of policies to WSCC model.
- Develop procedures for two-way communication and resource sharing between staff, students, families, community partners.
- Create and develop a memorandum of understanding with school partners.
- Assign roles and responsibilities for SHAC.
- Complete ASCD Survey.

## Late Fall/Spring

- Identify list of current community partners, service providers and adult stakeholders.
- Update list of current community partnership contacts.
- Finalize goals and activities for current school year.
- Develop communication plan for the wellness team.
- Collaborate with staff, students, parents and the community.
- Review ASCD survey results and begin to think about modifications to Action Plan goals.
- Distribute data collection tools (if applicable).

## Ongoing

- Continue with data collection.
- Conduct activities, and implement curricula that complement the school day.
- Collaborate with staff, students, parents and the community.
- Communicate regularly and work collaboratively with peers.
- Discuss and document progress/challenges related to goals.
